

Leeds Birdfair

Saturday 23rd June 2018

Activity timetable

09:30	Official opening of the Birdfair followed by a small mammal survey for all the family
09:30 onwards	Guides in the Hides – experts with telescopes will be in several of the wetland hides to help visitors with identification
10:30	Moth trap opening near the visitor centre
11:00	Join us for some owl pellet dissection in the Yorkshire Naturalists' Union gazebo.
11:00	The BBQ opens for our visitors
11:00 to 15:00	Supervised pond dipping
13:00 onwards	Peter Mill will be around the dragonfly pond area to help visitors to identify the various species which can be seen in June
13:30	Bug Hunt - Improve your insect ID skills by joining our bug-hunter Glen – Meet at the visitor centre
14:00	Learn which birds are singing on the reserve with Linda Jenkinson of Start Birding
15:00	Fish pass walk: your chance to see a section of the River Aire and a part of the reserve not usually open to visitors. Meet at the gate by the Reedbed Hide.
16:00	Birdfair closes
